Physiotherapy Canada VOLUME 51, ANNUAL INDEX–1999

Subject Index / Index des articles par subjet

ARTHRITIS

1. Evaluation of a Community Health Agency Administrative Database
   Lineker SC, Stephens MR, Badley EM 51:175-179 Sum1999
2. Reliability of the Measurement of Time-Distance Parameters of Gait: A Comparison in Children with Juvenile Rheumatoid Arthritis and Children with Cerebral Palsy
   Wright FV, Liu G, Milne F 51:191-200 Sum 1999

ATHLETIC INJURIES

3. Anterior Cruciate Ligament Injuries in Intercollegiate Basketball Players: A Survey of Gender Difference
   Overend T, Lee W, Speechley M 51:22-26 Win 1999

BLOOD CIRCULATION

Cutaneous

4. The Effects of TENS and Interferential Current on Cutaneous Blood Flow in Healthy Subjects
   Olson SL, Perez JV, Stacks LN, Walsh MH 51:27-31 Win 1999

CEREBROVASCULAR DISORDERS

Cerebral Palsy

5. An Evaluation of the David Hart Walker Orthosis: A New Assistive Device for Children with Cerebral Palsy
   Wright FV, Belbin G, Slack M, Jutai J 51:280-291 Fall 1999

Stroke

6. Using Impairment Inventory Scores to Determine Ambulation Status in Individuals with Stroke
   Stevenson TJ 51:168-174 Sum 1999

CPA

7. 1999 CPA Annual General Meeting - Enid Graham Memorial Lecture
   Back to the Future
   Muirhead S 51:240-250 Fall 1999
8. Signed, Unsealed, But Delivered
   1999 CPA Annual General Meeting - President's Address
   Bélanger A 51:239 Fall 1999

Viewpoint

9. Are We Y2K Compliant?
   Sommes-nous prêts pour l'an 2000?
   Lafoley B 51:151-153 Sum 1999
10. Indifference, Apathy and the Chronic "Too Busy" Syndrome
    L'indifférence, l'apathie et le syndrome chronique « trop occupé »
    Bélanger A 51:79-83 Spr 1999
11. In Pursuit Of A More Open Mind / La poursuite d'une plus grande ouverture d'esprit
    Bélanger A 51:5-11 Win 1999
12. We All Have a Vital Role to Play in Marketing our Profession
    Nous avons tous un rôle vital à jouer dans le marketing de notre profession
    Lafoley B 51:231-233 Fall 1999

EDUCATION

13. Rheumatology Instruction in Physical Therapy Undergraduate Programs: A Survey of Canadian Universities
    Westby MD 51:264-267 Fall 1999

GENDER

14. Anterior Cruciate Ligament Injuries in Intercollegiate Basketball Players: A survey of Gender Difference
    Overend T, Lee W, Speechley M 51:22-26 Win 1999

HOSPITALIZATION

Length of Stay

15. Evidence-Based Care: Determining the Appropriateness of Weekend Physiotherapy Services in an Acute Care Tertiary Hospital
    McAuley C 51:126-132 Spr 1999

JOINTS

16. Development of a Functional Independence Training Rehabilitation Program for Patients Following Total Hip or Knee Arthroplasty
    Kennedy D, Walsh M, Woodhouse LJ 51:292-299 Fall 1999

Knee

17. Proprioceptive Acuity of the Normal Knee Under Different Sensory Conditions
    Karkouti E, Marks R 51:16-21 Win 1999

    Kennedy D, Walsh M, Woodhouse LJ 51:292-299 Fall 1999

Knee

17. Proprioceptive Acuity of the Normal Knee Under Different Sensory Conditions
    Karkouti E, Marks R 51:16-21 Win 1999

18. Total Knee Arthroplasty: The Effect of Early Discharge on Outcome at 6-8 Weeks Postoperative
Block JE, Westlake SM, Meredith LM, Sheppard MS
51:45-51 Win 1999

LASERS

Therapy

19. Specification of Treatment Dosage in Laser Therapy: Unreliable Equipment and Radiant Power Determination as Confounding Factors
Nussbaum EL, Van Zuylen J, Baxter GD 51:159-167 Sum 1999

MUSCLE

Fatigue

20. Plantarflexor Muscle Endurance in Older Women
Anandarajah M, Morris N, Connelly DM, Vandervoort AA
51:101-106 Spr 1999

Hand Strength

21. Measurement of Hand Grip Strength: Manual Muscle Testing Versus Dynamometry
Bohannon RW 51:268-272 Fall 1999

NECK

22. Using the Neck Disability Index to Make Decisions Concerning Individual Patients
Stratford PW, Riddle DL, Binkley JM, Spadoni G, Westaway MD, Padfield B 51:107-112 Spr 1999

NEONATAL NURSING

23. Evaluation of Physiotherapy Referrals in the Intermediate Care Nursery
Rempel P 51: 38-44 Win 1999

ORTHOPEDICS

24. Interrater Reliability Study of a Prioritization Form for Orthopaedic Outpatients. Michaud M, Robitaille D, Tousignant M 51:180-185 Sum 1999

Pediatric

25. On-Site Physiotherapy in Pediatric Orthopedic Clinics
Ehrmann-Feldman D, Clegg S, Geoffrion M 51:120-125 Spr 1999

OUTCOME MEASURES

26. A Clinical Effort Toward Maximizing Evidence-Based Practice
Vanderkooy J, Bach B, Gross A 51:273-279 Fall 1999

27. Development of a Functional Independence Training Rehabilitation Program for Patients Following Total Hip or Knee Arthroplasty
Kennedy D, Walsh M, Woodhouse LJ 51:292-299 Fall 1999

28. Development of the Chedoke Arm Hand Activity Inventory: Item Selection
Research Team: Barreca S, Gowland C, Stratford P, Torresin W, Huijbregts M, Van Hullenaar S, Miller P, Griffiths J, Dunkley M, Harmer D 51:209-211 Sum 1999

29. The Feasibility of Implementing a System to Measure Rehabilitation Outcomes in an Outpatient Clinical Setting
LePoer K, Mayo NE, Barkas WJ, Bouillon L, Couture A, Hanlon N, Kimelman L, LeFeuvre J, Lower N, Mizouni N 51:201-208 Sum 1999

30. Reliability of the Measurement of Time-Distance Parameters of Gait: A Comparison in Children with Juvenile Rheumatoid Arthritis and Children with Cerebral Palsy
Wright FV, Liu G, Milne F 51:191-200 Sum 1999

31. Using the Neck Disability Index to Make Decisions Concerning Individual Patients
Stratford PW, Riddle DL, Binkley JM, Spadoni G, Westaway MD, Padfield B 51:107-112 Spr 1999

PAIN

32. Perceived Pain Associated with a Cold Application and its Modulation by Vibratory Stimulation
Tremblay F, Beauchemin F, Bouchard D, Clemann O
51:259-263 Fall 1999

33. A Randomized Controlled Trial of Physical Therapy Treatment Programs in Patellofemoral Pain Syndrome
Harrison EL, Sheppard MS, McQuarrie AM 51:93-100 Spr 1999

PREGNANCY

34. Diastasis of the Recti Abdominis in Pregnancy: Risk Factors and Treatment
Lo T, Candido G, Janssen P 51:32-37 Win 1999

PROFESSIONALISM

35. Acquisition of Physiotherapy Competencies During Clinical Placement
Cox PD, Ho La D, Pappachan M 51:113-119 Spr 1999

36. Development, Implementation and Results of a Survey to Identify Factors Affecting Motivation in an Acute Care Physiotherapy Setting
Thornton M, Melis EH, Pham B 51:251-258 Fall 1999

37. On Becoming the Quintessential Physiotherapist
Dalley D 51:12-14 Win 1999

38. Physiotherapy Caseload Guidelines
Christie HJ 51:186-190 sum 1999
